

# NEWS LETTER

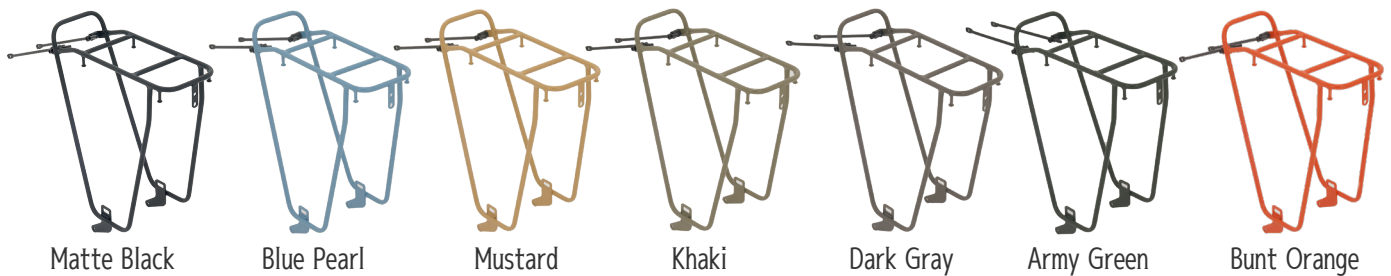

# MINOURA

For nearly 40 years, Minoura's MT-800N rear carrier has kept its timeless shape, a strong steel-built classic loved by rider everywhere.

Simple, durable, and easy to use, it has been the go-to choice for everyday adventures.

As cycling styles evolves from gavel bikes to custom touring setups, we felt it was time for a fresh take. Meet the GV-R700: a refined version of our long-time favorite, built for the way you ride today.
